

The Forward Trust Job Description

Position Title	Recovery worker (Drug and Alcohol)	Reports to	Team Leader
Location: HMP Stoke Heath			

Introducing Forward Trust

We are The Forward Trust (formerly RAPt and Blue Sky), the social enterprise with charitable status that empowers people to break the often interlinked cycles of crime and addiction to move forward with their lives. For more than 25 years we have been working with people to build positive and productive lives, whatever their past. We believe that anyone is capable of lasting change. Our services have supported thousands of people to make positive changes and build productive lives with a job, family, friends and a sense of community.

Role/Team Overview

Working within an Integrated Healthcare framework Our services are designed primarily to deliver psychosocial drug and alcohol interventions and treatment programmes for service users that are identified as having an alcohol or drug problem. In addition we will work closely with our healthcare delivery partners to support all elements of the Stoke Heath Integrated Care (SHIC) service at HMP Stoke Heath.

Services will deliver client centred treatment using both harm reduction and abstinence based treatment approaches depending on the requirements of the individual client. You will be required to manage a caseload, provide appropriate harm reduction advice and guidance, assess, care plan; deliver structured 1:1 and group-work sessions including structured treatment programmes if relevant to the unit you are working in. Through care and integration with other services such as Resettlement, Employment, Gym, Healthcare, Probation and external Drugs Intervention Teams are an essential element of the work to prepare for release.

You will be responsible for contributing to the targets set by The Forward Trust and the local commissioners. One of the key targets will be measuring outcomes, so co-operative working relationships with other partner agencies is vital to this role. In order to compliment clinical provision you may be required to complete second signatory and oral swab testing.

Flexibility will be required in this role, this may include some evening/weekend shift and with reasonable notice to travel to other projects in your cluster to deliver services, enabling continuity of care for the client group.

Accountabilities

Strategy

- Take an active role in the implementation and achievement of team objectives
- Build strong relationships with, and makes full use of the support offered by, Line Management and Head Office functions.

Service Delivery

- Carry out assessments risk/initial/comprehensive to inform treatment journeys.
- Carry out interventions relevant to individual client needs including 1:1 sessions and group work.
- Develop and contribute to the through care needs of service users, supporting them in the development of release plans which are appropriate to their needs.

Performance Management

- Ensure groups and programmes are facilitated and co-facilitated to the standard required by Forward and in accordance with any relevant manuals.
- Meet required KPI's to corresponding deadlines, as set out by the Service Manager.
- Plan and manage your caseload effectively, making sure that clients are prioritised appropriately and seen in a timely manner.
- Review ongoing care and treatment liaising closely with healthcare and other agencies.

Departmental Management

- Proactively approach integrated ways of working support and adopt a multi-disciplinary approach.
- Meet targets and deadlines in accordance with contractual standards.
- Contribute to the overall smooth running of the service by being proactive and solution focused.

Quality and Safety

- Engage with regular service audits ensuring that any issues are escalated and addressed in a timely manner and good practice is effectively shared throughout the service to ensure continuous improvement.
- Alert the Team Leader/Service Manager to any significant risks or problems arising in the course of managing and monitoring the services.
- Abide by all Forward's policies and procedures and encourage others to do the same.
- Work with the highest regard to health, safety and security in the workplace highlighting any risks (potential or actual) to the Service Manager and (where appropriate) the Head of Governance, in accordance with Forward's risk management protocols.
- Ensure that information, including statistical data, for audit, research and reporting purposes, is effectively and efficiently collected, recorded and collated in the assigned area.
- Effectively manage information, particularly confidential information, within statutory duties and in accordance with best practice
- Promote and ensure departmental compliance with all relevant legal, regulatory, and ethical responsibilities.
- Carry out the second signatory process and drug testing in services where this is required.

- Keep up to date technically on all relevant matters and strive for continuous professional development

Systems and Policy

- Use IT efficiently to support your role.
- Ensure you have agreed working protocols set between multi-disciplinary agencies and share information appropriately.
- Make full use of the information systems available to you such as P-Nomis, System-one, Intranet, email.

Administration

- Ensure case management documentation is maintained to the expected audit standards.
- Ensure data capture forms are submitted in a timely manner in order to reflect outcomes on NDTMS.
- Complete and maintain care plans and assessments to the required standards.
- Provide reports on outcomes to the service.

Other

- To take on other reasonable tasks and responsibilities as deemed appropriate by Line Management.
